Grooming Products

VETERINARIAN RECOMMENDED

Multi-Purpose Shampoo

A concentrated, all-purpose, fresh citrus-scented shampoo designed for economical, everyday bathing that helps reduce unpleasant odors and smells. **dac® MULTI-PURPOSE SHAMPOO** has excellent lathering action, making it easy to rinse away.

Bright+ Accent Shampoo

Execute a show ring finish and accent cleaning with **dac® BRIGHT+ ACCENT SHAMPOO**. Its' full body spa brightening action enhances brighter whites, shiny highlights and silvery, sparkling grays. Stubborn yellow, green and brown stains are uplifted by powerful stain fighting blend & lighteners. Brilliance bought in a bottle.

Bathing Tips: Soak horse thoroughly with a hose on gentle pressure. Apply your **dac® BRIGHT+ ACCENT SHAMPOO** to the main body of your horse with a sponge and then use either a curry comb or your fingers to work the shampoo in and the dirt out. Let sit for five minutes and then rinse thoroughly with the hose on a higher setting (as high as your horse tolerates).

Tangle Free Mane & Tail Treatment

A beautiful flowing mane & tail are not out of reach. Achieve the most sought after equine grooming task of a strong, silky, attractive mane & tail with **dac® TANGLE FREE TREATMENT.** Instantly detangles and strengthens weakened or brittle hair fibers while working to keep a natural healthy shine on any length or coarseness of hair. Its manic moisture, volume and smoothing features adds to the manageability to the ease of brushing and grooming. A sure crowd pleaser to use everyday or as needed.

Detoxifying Shampoo

dac® DETOXIFYING SHAMPOO is a gentle, therapeutic and cleansing formula which provides protection and improvement of topical skin ailments. With skin conditioning emollients and a pleasant fragrance, **dac® DETOXIFYING SHAMPOO** conditions skin while lifting stains and soils. This formula relies on a combination of natural essential oils including Emu Oil, Sage Oil and Tea Tree Oil to soothe and nourish hair. Boswellia Extract and MCT Oil facilitate cell growth on a molecular level and act as a natural healing agent.

- Prevents, improves and soothes skin problems that are associated with bacteria, yeast, mold, fungi and viruses
- Gentle pH balanced formula
- Leaves coat clean and conditioned
- Safe to use on cuts, tears and abrasions

Lazer HD Concentrate

dac®'s Ready-To-Use LAZER HD SHINE SPRAY has nourishing properties of Abyssinian oils, fatty acids, and vitamins blend to provide hair & mane manageability along with conditioning & protection for an optical luster. This custom formula provides emollience & gloss to highly load pigment systems to encourage a long-lasting lazer shine for weeks.

- Great fresh citrus scent
- Ready to use
- Eliminates static fly-away
- Non greasy, oily, sticky, or slippery
- Repels dust, dirt, and stains
- Reduces grooming time

Hoof Therapy

An Anti Fungal Protective Conditioner that builds hoof wall and cushion, improves dry, cracked and chipped hooves. **dac® HOOF THERAPY** helps increase hoof strength and pliability to prevent cracks and helps restore and support flexible, healthy hooves.

- Potent antimicrobials launch a two-fold attack on disease causing fungal and microbial cells
- Deodorizes Thrush odors
- Creates breathable moisture barrier
- Leaves hooves with a healthy shine
