**CAUTIONS:** Safe use in pregnant animals or animals intended for breeding has NOT been proven. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Not for use with anticoagulants, salicylates or NSAIDs. Use with caution in animals at risk for GI ulceration; turmeric may be a GI irritant. Use with caution in horses that are bleeders and with long-term use due to tannin content. An examination from a veterinarian is recommended prior to using this product.

## SPECIAL INGREDIENTS

### DE-ODORASE<sup>®</sup>

**Yucca Schidigera Extract** – Active components of yucca include steroidal saponins and polyphenolics such as resveratrol and yuccaols. Yucca phenolics also are antioxidants and free-radical scavengers. Yucca has also been known for its ability to reduce ammonia (NH3) from animal waste. The **Yucca Schidigera Extract** used in **dac**<sup>®</sup> **HERBAL RESPOND** is a high quality source provided by Alltech<sup>®</sup> branded De-Odorase<sup>®</sup>.

**Devils Claw** – (*Harpagophytum procumbens*) is a plant of the sesame family, native to South Africa. The two active ingredients in Devil's Claw are harpagoside and beta-sitosterol.

**Boswellia Extract** – Boswellia is a genus of trees known for their fragrant resin which may have health benefits.

**Vitamin C** - Vitamin C is considered an effective antioxidant.
