

POWER RINSE

COOLING LINIMENT SHAMPOO

A Naturally Derived Cooling Shampoo For Excess Exercise And Extended Workload

Our naturally derived cooling shampoo with essential oils, will clean and invigorate your animal after heavy exercise and extended periods of work.

POWER RINSE
KEY INGREDIENTS:
Wintergreen
Eucalyptus Oil
Camphor Oil

DIRECTIONS: SHAKE WELL before using.

Wet horse's coat thoroughly, or target problem areas. Work into a lather and massage shampoo into horses coat, mane and tail with hands or sponge. Rinse well with clean running water.

Also available in a 32 oz. reusable dilution controlled sprayer bottle, just attach it to any standard hose and begin to apply.
