

WELLNESS+ TEAR STAIN REMOVER

dac® Wellness+ Tear Stain Remover uses natural oils & extracts to safely remove and prevent topical stains on your pet's fur around the eyes. Naturally derived surfactants cleanse stained areas. Overall formula has aromatherapeutic effects. Effective results are sure to enhance & brighten your pet's eyes.

- Cleans stains
- Prevents future stains
- Essential oils & extracts
- Naturally derived

DAC10088 Tear Stain Remover- 12-4 oz. bottles per case

DIRECTIONS: Squeeze solution onto a cotton ball or clean towel. Taking care not to come in contact with pet's eyes, gently work solution into stained areas for a few minutes at a time. Wipe solution outward from pet's eyes when cleaning. If needed, use a fine-toothed comb to remove buildup. Use daily until build-up of residue is removed. Any stain that is not removed within the first week is permanently dyed fur that will need to grow out and be trimmed off. Use weekly as a preventative maintenance program to keep the fur clean and stain-free!
