

## WELLNESS+ ELECTROLYTE REPLACEMENT

**dac**® Wellness+ Electrolyte Replacement uses electrolytes and minerals to maintain well balanced hydration levels and replace electrolytes lost due to illness, high activity levels, and heat conditions. Also great for use with pets training in agility & hunting.

- Encourages endurance & stamina for active pets
- Replenish fluid loss due to illness & heat conditions
- Faster recovery for working & malnourished pets

DAC10090 Electrolyte Replacement- 12-4 oz. bottles per case

**DIRECTIONS TO USE:** Squeeze bottle to administer a 3-4 second stream of concentrate into a typical 16oz water dish. If dilution is not consumed within 24hours, discard contents of water dish and re-administer.
