

ANTI-CHEW

DETERRENT & TRAINING AID

for puppies & dogs

dac® Anti-Chew contains Tea Tree oil (to help soothe hot spots) and bitters (a patented taste deterrent) to deter pets from biting and chewing skin and other objects.

- * Fabric
- * Furniture
- * Electrical Cords
- * Anything Water Safe

- Breaks bad chewing habits
- Bitter taste deterrent
- With Tea Tree essential oil to help soothe hot spots

DAC10091 Anti-Chew- 12-8 oz. bottles per case

DIRECTIONS: Shake well before use. Apply bitter spray topically. May be used on chewing surfaces and directly on pet's skin and fur. Avoid spraying around the eye area. Repeat as often as needed. Chewing is a hard habit to break, so allow days or up to weeks depending on your pet's training capabilities.
